3774. DR. R. K. PODDAR : Will the Minister of FINANCE be pleased to state :

(a) whether it is a fact that the State BaBnk of India by recruiting Dealers for their dealing Centres at Bombay, Madras and New Delhi Overseas BBranches will decentralise the Foreign Exchange Dealing and cover Operations from Foreign Department, Calcutta ;

(b) whether it is also a fact that 90 per cent of the Bank's Foreign Exchange business is competently handled by Calcutta office with its latest telecommunication equipments e.g. INDONET, Satellite Link, Hot Lines, Telefax etc., and

(c) if so, whether by this act of the State Bank management the majority of employees of the Bank's Foreign Exchange Broker Firms in Calcutta will be rendered surplus and the employment potentiality of West Bengal will be reduced ?

THE MINISTER OF STATE IN THE DEPARTMENT OF ECONOMIC AFFAIRS IN THE MINISTRY OF FINANCE (SHRI EDUARDO FALEIRO) (a) to (c) State Bank of India (SBI) has reported that it has set up Dealing Rooms at Bombay, Madras and New Delhi to cater to

its growing foreign exchange business with a view to providing efficient and "on line" services to its customers at major centres. Bank's own staff has been drafted for posting at these centres and no dealers from outside have been recruited by the bank. According to SBI even after setting up of Dealing Rooms at these centres, the cover operations, accounts and reconciliation work relating to foreign exchange business continues to be centralised at Foreign Department, Calcutta.

SBI has further reported that keeping in view the phenomenal growth in foreign exchange business, opening of dealing rooms by SBI is not likely to result in any reduction in the bank's employment potentiality in West Bengal.
